Dominique, Elizabeth

You guys were gone before I was able to thank you in person, but I wanted to personally thank you for your leadership & contribution to the success of the community service day. Without you it would not have worked. Full stop. You knew where to push, pull & confront, in order to make things happen & from all of us here at TMD, we thank you so much. I will be glad to be a reference for you for other clients as you need me as you deserve the best! Thank you both so much and we are so thankful you were leading this effort. Warmly, Ceree
