

July 5, 2004

Dear Dominique,

Just a quick note to thank you for all your hard work and creative efforts on the recent GCAPP event. Kenny and I were very happy to participate in this most important organization and we could not have done this without your support.

Jane should be proud of your results and it was super to learn that you achieved the financial goal for the auction event. We know that it took the efforts of many dedicated individuals for this task but you and your staff deserve a standing ovation!

Thank you again for allowing Kenny and myself to participate in such a worthy cause.

Sincerely,

Jimmy and Kenny
